AMF T Grid Suspension Profiles

Product Information:

AMF T-Grid Suspension System is a light weight interlocking ceiling system with an exposed grid to support our range of AMF Ceiling Tiles. The combination of the pre-decorated white exposed grid and the white ceiling tile provides an aesthetic finish. AMF T24 T-Grid Suspension System is the ideal system to be used in conjunction with our AMF Ceiling Tile range, where quick and easy access to any part of the false ceiling is required.
